He is the General who commands all military forces in this secret organization. A man of few words, he is known for his persistent attacks. He has yet to lose his ability to operate tanks. He 's usually found on the frontlines of a battle in his favorite tank.

He is the head of the secret organization. His precise data is still unknown, but intelligence believes he's involved in the recent buildup of military arms around the world. With his believed military ability combined with his political ties, he will be a formidable enemy... We wish you good luck.
